**THE FOREIGN RESIDENTS BUSINESS DAY
III COSTA DEL SOL BUSINESS AWARDS**

The foreign community is very important to the Costa del Sol due to its size, diversity, length of time that it has been here and of course, because of its business investments.

One of the strategic targets of the Regional Government, **Junta de Andalucía**, for this area is that foreign residents develop further their business activities, creating more companies, which are larger and stronger, more innovative, better connected and integrated in the region.

For this purpose CADE Marbella, Malaga Chamber of Commerce and Unicaja are organising the **III Foreign Resident Business Day**, a meeting point for all people aiming to start doing business in Andalusia or for existing business people to expand their activities. It is the perfect event to stimulate creativity and network, and to look for new business opportunities.

The meeting includes the **III Costa del Sol Business Awards** ceremony.
